- **Planning and Development Control, Building Regs and Control**

Andrew Prosser, Green Party Town Councillor

# What happens next?

Local and national lobbying, awareness raising, asking the questions of local plans

NET ZERO, WARM HOMES  
& GREEN JOBS

# What happens next?

Local and national lobbying, awareness raising, asking the questions of local plans

Community-led, Covid recovery and recognition

NET ZERO, WARM HOMES  
& GREEN JOBS

# What happens next?

Local and national lobbying, awareness raising, asking the questions of local plans

Community-led, Covid recovery and recognition

Easy pathways, Street by street

NET ZERO, WARM HOMES  
& GREEN JOBS

# What happens next?

Local and national lobbying, awareness raising, asking the questions of local plans

Community-led, Covid recovery and recognition

Easy pathways, Street by street

Focusing effort and investment - net-zero and energy poverty commitments (and action plans)

NET ZERO, WARM HOMES  
& GREEN JOBS

# What happens next?

Local and national lobbying, awareness raising, asking the questions of local plans

Community-led, Covid recovery and recognition

Easy pathways, Street by street

Focusing effort and investment - net-zero and energy poverty commitments (and action plans)

Impacts across the community, not just direct operations

NET ZERO, WARM HOMES  
& GREEN JOBS

# What happens next?

Local and national lobbying, awareness raising, asking the questions of local plans

Community-led, Covid recovery and recognition

Easy pathways, Street by street

Focusing effort and investment - net-zero and energy poverty commitments (and action plans)

Impacts across the community, not just direct operations

Investment pool for action – net-zero ‘offsets’ and ‘insets’
